## Skaterator

X-perience X-treme Kingdom X-citement with the Skaterator. Build a classic one, or custom fit your Skaterator from a range of riders, and radical Jesus' sayings.

### All you need is

### To Build your Skaterator

- 1 Colour in all the pictures.  
(If they are already coloured skip this step)
- 2 Cut out everything including the slide space.
- 3 Cut the wheel slits on the skateboard and pull bar.  
(Adult help may be needed)
- 4 Assemble your Skaterator using 2 split pins as wheels. Place each split pin through the skateboard, the slide space and the pull bar.
- 5 Fold down the back of the Skaterator and secure with three staples.

Good Job! You made a Skaterator. Custom fit a whole series of Skaterators with pictures of yourself, friends and your Grandma on skateboards.
